NOTES:

Disconnection Fee: \$ _____ Agree / Understand "Fee" _____
OWNER SIGNATURE

I, _____ authorize the City to disconnect services as indicated to the property described in the above application and I hereby agree to pay, at the time of submission of the application, a fee to cover the costs of the excavation at the main, disconnection and capping of service lines, and restoration of the excavation. The City will not sign off on the Demolition Information Form without receiving the Application for Sewer and/or Water (Dis)Connection and payment of the disconnection fee.

I agree to conform to all City Bylaws governing sewers, watermain, The Ontario Building Code.

DEPOSIT AMOUNT: \$ _____ Agree / Understand "Deposit" _____
OWNER SIGNATURE

NOTE: Deposit based on estimate without the benefit of detailed design. Rebate or invoice will be issued upon completion based on actual work completed.

I, _____ authorize the City to construct service connections as indicated to the property described in the above application and I hereby agree to pay, before the commencement of the work, a deposit based on the estimated cost of the work, and further to make such additional payment as required on completion of the work to pay for the full cost as determined by the City Engineer. Invoice may result from unforeseen charges of encountering rock, frost, utilities, etc.

I agree further that all costs until paid shall constitute a lien upon the property described in the above application.

I also understand and agree that a financing charge of one and one-half per cent (1 1/2%) per month (18% per annum) will be added to the unpaid balance if payment is not made to the City within 30 days of the date of invoice.

I agree to conform to all City Bylaws governing sewers, watermain, The Ontario Building Code.

I understand that the cost of service connections will be in addition to any frontage or flankage.
